Meeting minutes

Discussion of Warrant Article 6: to leave open the decision to raze the entire Shur-fine building or leave a portion of it standing for the preservation of historical buildings if need be. It was our understanding that this article would give the selectman the choice if need be due to the condition of the barn, the proximity to the water and the ability to replace the building with another at some future point in time.

**Motion to accept Article 6 as written made by (WA), seconded by (ES).
Voice vote: Passed unanimously.**

Motion to adjourn at 6:57PM (WA), 2nd (ES) Voice vote: passed unanimously.
